

# TWELVE INNINGS AND SCORE 2 TO 2

[Special to The Times-Dispatch.]  
LEXINGTON, VA., April 10.—After twelve innings of play, today's contest between Richmond and Lexington was a tie. Although played on a muddy field the game was a beautiful one. After the second inning Richmond was not very dangerous, but the variety of the game came very near sending the winning runs across the plate. However, Wright failed himself out of some bad holes and was several times saved by fast fielding. George, after pitching such a beautiful game against Villa Nova yesterday, was again in the box for the home team, and had the better of the argument, finishing strong, and struck out his usual goodly number. The crack twirler also featured by doing the heaviest hitting. In the tenth, with two

men on base, Anthony was robbed of a hit when Smith made a beautiful one-hand catch of his long drive. Washington and Lee's infield played a clean game. Right error in right set in one of Richmond's runs. The game was called at the end of the twelfth inning on account of darkness. The visitors play N. M. 1 to-morrow.

The score by innings:  
R. H. E.  
Richmond 1 1 0 0 0 0 0 0 0 0 2 5 3  
W. L. U. 0 0 0 0 0 0 0 0 0 0 2 4 3  
Summary: Batteries—Richmond, Wright and Lodge; W. L. U., George and Anthony. Struck out—By Wright, 8; by George, 14. Errors on balls—Off Wright, 5; off George, 6. Hit by pitched ball—Wright, 1. Passed ball—Lodge. Stolen bases—Gardner (2), Chatham, two-base hit—George. Time, 2:25. Umpire, Mr. Chenoweth.

## ROCHESTER HAS A FAST SQUAD

That old rumbum, Jupiter Pluvius, the only power in ballroom which seemingly has anything on the ball players, magnates and fans, in the way of interfering with the scheduled games, drove his sprinkling cart across the heavens yesterday, and to the dismay of the Lawmakers and Rochester's squad, he lingered around Broad Street Park long enough to swamp the grounds and put all ball playing out of the question.

Weather permitting, the two teams are slated to get into action at 4 o'clock this afternoon, and from the lineup that Manager O. C. Buckenberger, of the New Yorkers, is going to trot out, the game ought to be a fast one, especially as Manager Lipe is determined to make up for the defeat at the hands of Altoona.

The Eastern Leaguers came into town at an early hour yesterday morning from Havre de Grace, Md., where they have been practicing since the 1st of April. Manager Buckenberger says that the team is fast and full of pep.

and he expects to put in a strong bid for the pennant this season. Here is the way that the two lines will appear at bat to-day:

Richmond—Heffner, left field; Lipe, third base; Kanzer, first base; Riggs, center field; Timpan, right field; Ison, second base; Morgan, shortstop; Cowan and Boyle, catchers; Revell, Jackson and Archer, pitchers.

Rochester—Anderson, right field; Clancy, first base; Batch, left field; Flannigan, center field; Loudy, second base; Holly, shortstop; Lennox, third base; Hurley and Erwin, catchers; McLane and Oley, pitchers.

The Rochester club is carrying fifteen men, and Richmond is the only city in the South where the visitors will play, as they return to-morrow to Havre de Grace, and later go to Providence for the opening of the season. Clancy, Flannigan, Lennox, and Loudy were with the team last year, the former being captain. Loudy's right name is Loudenslager, but it is too much for the profession, hence Loudy. Anderson was purchased from the Pittsburgh club. Batch came from the Brooklyn club, and Holly from the St. Louis Nationals. Hurley and Erwin were secured from Brooklyn and Detroit respectively. Manager Buckenberger has been in the baseball business for twenty-five years, and among others, has been with the Boston Nationals and the Pittsburgh and St. Louis clubs.

The weather man promises a clear day, and the diamond will probably be in condition this morning for both teams to practice.

## OUTSIDERS SPLIT WITH FAVORITES

[Special to The Times-Dispatch.]  
WASHINGTON, D. C., April 10.—In spite of the rain and a bad card, a good crowd turned out at Benning's this afternoon. The day was uneventful. For the most part the fields were small. Outsiders and favorites divided the races and the layers and players broke about even on the day.

Dr. Lee, an erratic four-year-old, won the first race, after getting left at the post. The start was one of the worst seen, half the field being left flat-footed. Right and True got tangled up in the barrier and unseated his rider, Rowan, thereby burning up a lot of money. Dr. Lee, well played at 4 to 1, ran around the outside of the field, where the going was fairly good, and romped home.

A good thing went bad in the second, when Frederick Johnson's two-year-old, quoted at 3 to 5 in the betting, failed to do anything. Jule Garson's Dan Denoyles was off flying, and was never headed. The maiden entry, Miss Granville and Chaperone, finished second and third.

Dress Parade, which won at 60 to 1 a few days ago, and Spencer Wells were equal choices at 2 to 5 in the third. Spencer Wells finished first. Dress Parade second and Madden's Footloose third. Greeno came back to his form in the third and easily beat King of Bashan and Comedienne over seven furlongs. The winner was favorite at 11 to 5.

In the fifth as had a lot of maidens

as were ever seen wallowed through the mud for seven furlongs. The Chelsea stables' Cartwheel, at 4 to 1, struggled home ahead of Hartford Boy and Octole. In the sixth Animus came back and won easily from D'Arkie and Killcrankie.

Summary.  
First race—setting, three-year-olds and upward, five and a half furlongs, Columbia course—Dr. Lee (5 to 1) first, Simple Honors (3 to 1) second, Nemo (2 to 1), show, third. Time, 1:11 3-5.

Second race—fifteen and geldings, half mile, old course—Dan de Noyles (2 to 1) first, Miss Granville (7 to 5), second, Chaperone (3 to 5), show, third. Time, 52 2-5.

Third race—colts, two-year-olds, four and a half furlongs, old course—Spencer Wells (9 to 5) first, Dress Parade (3 to 5), second, Footloose (out, show) third. Time, 58 2-5.

Fourth race—setting, three-year-olds and upward, seven furlongs, Columbia course—Greeno (2 to 1) first, King of Bashan (8 to 5), second, Comedienne (3 to 5), show, third. Time, 1:22 3-5.

Fifth race—maidens, three-year-olds, seven furlongs, Columbia course—Cartwheel (4 to 1) first, Hartford Boy (6 to 1), second, Octole (6 to 5), show, third. Time, 1:34.

Sixth race—handicap three-year-olds and upward, one mile, Columbia course—Animus (2 to 1) first, D'Arkie (2 to 1), second, Killcrankie (out, show) third. Time, 1:44 3-5.

## REGULAR PLAYERS SELECTED FOR V. P. I.

[Special to The Times-Dispatch.]  
BLACKSBURG, VA., April 10.—The showing made by V. P. I. in the tie game with the Roanoke league team on the home grounds Wednesday has greatly encouraged the coaches and the student body. The Techs outplayed the professionals, the latter making four of their six runs in the last two innings. It was impossible to play off the tie, as the visitors had to leave to catch the train for Roanoke.

Coach Miles gives out the following as the men who will hold down the positions on the team this season: Who will play first base is yet undecided. Diffendall, the star football player and captain for last season, had the place in Wednesday's game, but there are several men who are pushing him hard for the honor. The men decided on by the coach are: Batteries, Pritchard and Austin; second base, Ives; third base, Kennis; outfield, Cooper, Billups and Fuqua; shortstop, E. S. Sheppard.

The Tech battery this season is better than for years. Pritchard pitched the entire game Wednesday, and in the first five innings the leaguers failed to make a hit off him. The latter put five men in the box during the game and three men behind the bat. Austin, on the home team, has shown marked improvement in practice since the game in Roanoke last Saturday. Keeping his head during the game, and his throw-

ing to first was perfect. Sheppard, the shortstop, is the captain of the team this season, and was in a similar position last year; he rarely misses a chance to make good. Ives, the second baseman, is a good hitter, and is improving in fielding. Kennis, a new man this season, is showing up better in every practice game. Cooper, the left fielder, is not as strong at the bat as in the field, where he seldom makes an error. The reverse is true of Billups, the center fielder, but the coach has done much this week towards strengthening these weak points in the outfield. Fuqua, in right field, and Sheppard, at short, are good all-around men.

Two games are scheduled for next week—Lehigh University, on the 17th, and St. John's College, on the 18th—both on the home grounds. Easter Monday is the date of the great game with the Virginia Military Institute in Roanoke, when many of the students of both schools will be on hand to add interest and excitement to this annual contest.

## TURNER AND AJAX MAY MEET HERE

George Herbert returned from Washington and Baltimore yesterday where he went to secure some talent for a big wrestling tournament to be held here at the earliest possible date.

Joe Turner, the famous welterweight of the capital, agreed to come here and meet "Young Ajax." Herbert says the meet is a sure thing. He himself intends to take on Andy Smith, the welterweight of Baltimore, and these two mills, with several good preliminaries, should be a good draw for the contests will be held in the City Auditorium, where ample seating capacity will be afforded.

Herbert went after Kid Sullivan while in Washington, but found that the Kid was in training at Berwyn, Pa. for a forthcoming match, and there was nothing else doing for him at present. Frank Lynch, the clever middleweight of Baltimore, was interviewed, and says that he is willing to come to Richmond for a match at any time. After the Turner-Williams match in Washington last night, Lynch presented a challenge to Turner, but any contest between them will come after the Richmond tournament. Andy Smith also sent a challenge to Rob Roy Mackey, who figured in a preliminary.

The "Navy Yard Kid," a fast one with his fists, of Washington, is anxious to box Kid Coleman of this city. These two would make a fine pair, and they may meet in the near future.

Herbert stated yesterday that he will wrestle with the "Little Wonder," of Baltimore, in that city before many weeks have passed.

BURNS AFTER JOHNSON  
FOR FIGHT TO A FINISH

NEW YORK, April 10.—Billy Neil, manager of Tommy Burns, the pugilist who is at present in England, arrived here to-day on the steamer Lusitania.

Neil will try to arrange a match with Johnson, and it is said he will cover Johnson's deposit of \$2,500 with \$250 additional. Burns has said he is willing to allow the money to remain in the hands of the stakeholder from nine to twelve months in order to give promoters an opportunity of arranging the contest. He demands \$50,000 as his share of the prize money, no matter the result of the battle, and would prefer a contest of forty-five rounds or to a finish, which would limit to California or Nevada.

THREE-CORNERED MEET  
[Special to The Times-Dispatch.]  
BALTIMORE, Md., April 10.—It takes now like there will certainly be an intercollegiate track meet this spring between the Agricultural and Mechanical, Wake Forest and Davidson College teams. Some of the events will be the 100-yard dash, 220-yard dash, 440-yard dash, one mile run, running broad jump, high jump, pole-vault, 120-yard hurdle, 220-yard hurdle, hammer throw.

## ALL AGREE THAT OUTLOOK IS BRIGHT

Labor Leaders and Others Take Optimistic View as to Financial and Business Prospects.

PHILADELPHIA, Pa., April 10.—Industrial, sociological and political problems of the time were discussed at length here to-day at the annual session of the American Academy of Political and Social Science by men prominent in various walks of life. "The Present Business Situation and Antitrust Legislation" was the topic for discussion at the afternoon meeting. The speakers were Samuel Gompers, president of the Federation of Labor; Charles P. Neill, Commissioner of Labor, Washington; William J. Schiefelin, president of the National Association of Wholesale Druggists, New York; Isador Straus and George L. Duval, New York, and Theodore Marburg, of Baltimore.

All of the speakers were optimistic as to the financial and business outlook. Mr. Gompers said that if fifty business men were to go before a just judge and give their opinions as to the cause of the recent financial and industrial disturbance, he was of the opinion that they could not agree, but he desired to make it plain that whatever the cause, the working people were not to blame. The fact that such conditions existed, he declared, should be taken as a lamentable commentary on the methods of the princes of finance and captains of industry. The workers, Mr. Gompers said, were not in favor of a species of governmental action that denies the right to a business man to conduct modern business within the law. Mr. Gompers said of organized labor that it had raised the standard of life, and speaking for the body of workmen whom he represented, he declared that they had advocated not denouncing strikes, though they realized that fear of strikes produced good results.

Commissioner Neill said that the Sherman law was trying to restore absolute and unrestrained competition, but that the government could never bring back such a condition. While we are led to believe the consumer is the only direct person, Mr. Neill said, he was just as first in the trust magnate as the labor leader. When it comes down to the effects of competition, the speaker pointed out, the consumer is the only intelligent means of preventing destruction by competition. The annual address of the academy by Judge Patrick S. Gregory, of the Circuit Court of Appeals of Chicago, on "The Scope, the Limit and the Duty of the Government in Relation to Corporate Control and Management," and the address of the president, Mr. J. H. Knox Smith, made up the program of the session to-night.

The fighters will weigh in at 10 o'clock to-morrow morning. The articles of agreement in the contract, which interest in the outcome is keen. There is much betting to-night on the result, with the odds favoring the Chicago fighter at 10 to 9. One bet of \$1,500 was registered on Britt at the prevailing odds, and McFarland is reported to have wagered a sum on his own chances. They will enter the ring at 3 o'clock.

Neither rain nor the Lenten season prevented "The Old Homestead" from drawing to the Academy yesterday two big audiences, the attendance at the matinee being the largest the house has had at an afternoon performance for many weeks, while every seat was occupied in the evening.

Now so its twenty-second season, the play is still as popular as ever, and the absence of Denham Thompson from the cast seems to have had little or no effect in lessening the interest of those who never miss a performance of this New England comedy. Mr. William Lawrence, as Joshua Whitcomb, follows so closely the beaten path of the actor who made the part famous, that the majority of those who love the old play are just as well satisfied as they would be with Denham Thompson in the role.

The double quartet this season is one of the best that has ever been with the production. The quartet has always been featured, and the wisdom of the management is easily seen in holding up to the top notch this part of the performance.

At the Majestic.  
Eddie Cassidy, the negro comedian, is attracting large houses at the Majestic this week, and Clito and Sylvester, the acrobatic team, are very clever. There are extra matinees on Saturday at 4:15 and 10:15 o'clock. Famous Ford, the monarch of handkerchief kings, is the attraction for next week.

## SHOT BY DESPERATE NEGRO IN EFFORT TO ARREST HIM

MACON, GA., April 10.—In an attempt to make an arrest here to-night, J. J. Timmerman, a patrolman for the Georgia Central Railroad, was shot through the heart and instantly killed by George Holmes, a negro, after the negro had been pointed out by Policeman Johnson. Officers Johnson and Rogers were held at bay by the negro, whom they attempted to arrest. J. J. Timmerman joined in the chase after the negro, Holmes, who, in the meantime, secured a shotgun and killed Winberley. The negro was captured.

## Wise Talks by the Office Boy

I was reading that a Southern farmer asked a negro farm hand the cause of his worried and harassed look. "De trubblin' boss," said the negro. "Ma wife, Shes is de stragganates person. I knows, Shes is always after money. Money dis, en money dat, en mo' money. She comes ter me fo' one do'lr, en den she wants two do'ls, en so 't goes."

"But, Joe," inquired the boss, "what does she do with all this money?"

"Well de boss, he explained Joe, 'I ain't give her none yet.'"

Now that seems to me to explain the late financial situation. We were undoubtedly extravagant and going the pace, then somebody said "Scat," and everybody got scared and the banks lightened up and wouldn't give us any money for a while. Thank heaven, that's all over now, and what we now want to do is to pass you out the new duds in suits, hats and shoes. It don't take much money to look good this year. Suits never were so handsome or so perfect in fit—\$7.50 to \$9.00—come in and see us.
